

Dear Valued Customer,

As of February 14th, 2022, the Solid Waste Collection fee will be increased by 3% to all residential and commercial users. A residential user service fee will now be \$18.54 per month, which is an increase of 54 cents.

The City finds it necessary to recover costs of providing certain City services. Fees and charges do not exceed the reasonable costs of providing the services for which fees are imposed. The amended Master Fee Schedule can be found on the city's website, www.camillaga.net.
